

This town report is dedicated to George U. Holden, a life long community member and town officer.

Mr. Holden was born in North Clarendon February 1, 1914 to John Crampton and Bessie Underhill Holden and grandson of Arthur Newton Holden. He was the third generation of his family to participate in town government. He attended Clarendon schools and lived in Clarendon all his life.

George served Clarendon in many capacities: overseer of the poor, delinquent tax collector, town service officer, pound keeper and health officer. He was a vocal participant in the years when "Town Meetings" were a day long affair. He and Chipper Chapman delighted in political statesmanship and kept Amherst Weeks busy as the town moderator. He worked closely with several boards of selectmen.

Mr. Holden was a member of the North Clarendon Chapel and Community Center Association. He served as the building coordinator and insured the maintenance and use of the facilities were self-supporting.

Mr. Holden devoted many years of his life to serving the town which he loved.

## AUDITOR'S REPORT

In accordance with section 1681 of title 24, V.S.A., we have examined the accounts and records of the Town of Clarendon, Town Municipal Library and the Town School District. To the best of our knowledge the financial statements and reports show the financial activity and financial position of the Town for the fiscal year ended December 31, 1992.

Presently the audit firm of Jacobs, Morrisette, Marchand & Associates is conducting an audit on the Airport Industrial Park Grant and the Colburn Mobile Home Park Grant. They are also examining the financial statements of the town's General and Highway Funds. The findings of this audit will be posted at the town hall after March 15, 1993.

Auditors:

Yvette M.R. Bourassa

Arthur W. Knox, Sr.

William Weeks

**BAILEY MEMORIAL LIBRARY**

On January 12, 1992, the Bailey Memorial Library celebrated its first full year of operation, providing library services to the residents of Clarendon. The continued operation of the library was made possible by the \$9,000.00 appropriated at the March, 1992 Town Meeting.

Lois Kallen and Dorothy Barnes, Clarendon residents, continued to staff the library thru April, 1992. At that time Lois Kallen left to take another position and Dorothy Barnes continued to staff the library for 20-25 hours a week. Dorothy is made available to us at no charge by the Vermont Association for Jobs and Training.

We have made great strides in the last year building up the Town's collection of books. We now own approximately 5,000 books of our own, obtained through purchase and donations. Our collection is supplemented by books borrowed from the Vermont Department of Libraries which are exchanged on a regular basis. We also managed to purchase a used computer and a new printer, paying for them with funds from overdue book fines, bottle return money and the sale of books at the library.

Our goal for 1993 is to be able to install a telephone and purchase a modem. With this accomplished, we will be able to hook into the Vermont Department of Libraries computer system. This will enable us to make their resources available to the residents of Clarendon.

Following are the year-end statistics for 1992:

New Adult Cards — 61	Books Circulated:
New Juvenile Cards — 51	Adult Fiction — 676
Cards Issued to Date — 446	Adult Non-Fiction — 195
Storyhour Participants — 103	Juvenile Fiction — 1,729
Puzzles Circulated — 7	Juvenile Non-Fiction — 272
Library open 231 days	Adult Paperbacks — 532
	Juvenile Paperbacks — 31

The Board of Trusees would like to thank you, the residents of Clarendon, for your support. Bailey Memorial Library belongs to all of us and we need your continued support to keep it alive and growing. We have made a good beginning. With your help, the library will continue to improve and be an integral part of the Town of Clarendon—a library of which we can all be proud!

# **SELECTMENS ANNUAL REPORT**

The Clarendon Board of Selectmen have been involved over the past year in the following projects that are intended to make our community a better place to live:

(1) Negotiated and implemented a Vermont Community Development Grant for septic improvements at Coburn Trailer Park. The primary intent was to save local residents from displacement. In addition, under terms of the agreement, ten years from now the town of Clarendon can start collecting \$200,000 in loan repayments (\$15,000 per year for twelve plus years at 0% interest.) This money can then be recycled for future town use.

(2) Entered into partnership with the Rutland West Neighborhood Housing Services. This will allow qualifying Clarendon families to secure low interest home improvement loans. Rutland West may be contacted at 438-2303 to answer questions or apply for services.

(3) Improved and opened Town Highway #19 connecting the Middle Road with Route #7. This new link saves both time and fuel for certain local transportation users.

(4) Started renovations to the Town Hall including exterior painting, some insulated windows, structural repairs, electrical improvements, and a new front roof. This was the first stage in a five year plan designed to upgrade, modernize, and make vacant areas of the building more usable and energy efficient.

(5) Secured a VT. Community Development Grant through Rutland Industrial Development Corporation (RIDC) to upgrade fire protection in the Clarendon Industrial Park. The grant covered costs for installation of a reservoir, pump and hydrant system. This will allow us to better attract new industry and jobs to our Town.

(6) Signed a tax stabilization agreement with Vermont Country Store and supported their plans to build in the RIDC park. This will both increase our tax base and offer additional employment opportunity for Clarendon residents.

(7) Widened and improved the narrow bridge on the Middle Road near Chamber's farm. This was made possible through financial participation in the State of Vermont Bridge and Culvert Program. It also required initiative on the part of the Selectmen to hire a design engineer and put the project out to bid.

(8) Removed, with cooperation of Army Reservists and the Vermont Highway Dept., a sandbar in the Cold River near the Ruane/Pinkowski farms. This will help to stabilize streambanks on the farms and secure a cement abutment under the iron bridge on the Middle Road.

(9) Reconditioned and repaved sections of the Alfreacha Road, East Tinmouth Road, Moulton Avenue, and East Street.

(10) After input from the Planning Commission and numerous public hearings, the Selectmen adopted a new Town Plan and Map.

(11) Purchased a new International Dump Truck and sander to upgrade our road maintenance truck fleet.

(12) Received a 60 acre tract of land on East Street as a generous gift to Clarendon from R. Clarke Smith. It is intended for use as municipal forest, hunting, hiking and nature trails.

This past year the Clarendon Selectmen have been successful in holding the town government tax rate stable and managing the town budget in the black. Our dedicated town employees deserve much credit for this. The Selectmen have signed agreements in principle to build new bridges over the Clarendon River in Chippenhook and the Cold River on the Middle Road in North Clarendon. This would be constructed in 1994 at an estimated total cost of \$750,000. The Town's share would be \$75,000. The Clarendon Selectmen meet on the second and fourth Mondays of each month and citizen participation is welcomed. The Selectmen wish to thank all the town employees, citizen volunteers, and numerous Clarendon residents for their efforts in making Clarendon Town Government continue to work and excel.

Respectfully Submitted,

Ralph Austin, Chairman  
Robert Bixby  
Frank Cecot  
Michael Klopchin  
David Potter

#### TOWN CLERK'S REPORT

Due to the fact that 1992 was a general election year and interest in the elections was so great, our checklist grew to 1,735 registered voters, which was an increase of 232 people. Turnout for the General Election was a record number of 1,353 voters.

As required by the State, our most recent land records are taken to Montpelier to be microfilmed and kept on file in the state archives. This past year Volumes 65 through 73 were microfilmed.

Also this past year, the Town Reports from 1971 through 1991 were sent out to be bound in book form for preservation. We now have all reports from 1867 through 1991 bound.

If you need anything such as transfer station coupons and are unable to come to the office during the hours listed on the inside back cover, please call and arrangements will be made to handle your business through the mail.

#### 1992 VITAL STATISTICS

MARRIAGES	22
BIRTHS	26
DEATHS	15

#### DOG LICENSE REPORT

**NOTICE:** All dogs, 6 months of age and older, shall annually on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued. 20 V.S.A. 3581.

The Town Clerk's office will be opened on Saturday, March 27, 1993 from 10:00 a.m. until 1:00 p.m. for the purpose of licensing dogs. You may also license dogs by mail by sending the following: current rabies certificate, a check for the correct amount and a self-addressed, stamped envelope. Fees are: Males—\$8.00, Females—\$10.00 and Neutered Males & Spayed Females—\$6.00. If you breed dogs for the purpose of selling them you may qualify for a Special License and Kennel Permit, please check with the office if you are in this category.

1992 Licenses Issued:	Males	116
	Females	67
	Neutered Males	132
	Spayed Females	213

#### LISTERS REPORT

We would like to thank the Selectmen for giving us the opportunity to serve the town. It has been an enlightening experience to say the least. We would also like to thank the townspeople, who were courteous, informative and ultimately very helpful to us in compiling the 1992 Grand List. We are usually available to answer questions or provide assistance during regular town office hours, or by phoning 775-1536 for an appointment. We hope that all the townspeople continue to support the town government by being informed and involved in town affairs. The most informed taxpayers make the best run town.

James Ingalls  
Nancy Mutell  
Kelly Stellato

#### TREASURER'S REPORT

In the past few years I have received comments from taxpayers that the single tax billing is difficult and undesirable. Unfortunately I don't see this changing for a few more years. There is however, the availability to make multiple, partial and early tax payments at anytime. To do this you would mail your payment to me at P.O. Box 30 North Clarendon, Vermont 05759. Payments may be for any amount you choose. Please be sure to include your name with the payment and if possible, the account number off your last tax bill. I will note all early payments on your current years bill when it is sent out to you, or if you'd like a receipt at the time you make your payment, please enclose a self addressed stamped envelope.

If you have any questions give me a call.

Ann St.Peter, Treasurer

**RUTLAND REGIONAL PLANNING COMMISSION**  
**Annual Report—1992**

The Regional Planning Commission's Mission is:

A. To provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and,

B. To strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues.

During the past year the Commission, in pursuit of implementing that Mission, continued to work closely with regional communities to create a cooperative and positive planning process and:

- has emphasized helping communities prepare local plans that meet the needs of the community working particularly with Brandon, Wallingford, and West Haven; also worked with Shrewsbury, and Mt. Holly. Rutland Town and Poultney were helped with zoning and regulations;
- Continued to work on the update of the GENERAL PLAN: RUTLAND REGION with regional meetings on historic preservation and agriculture;
- prepared and/or distributed copies of the State's Planning Newsletter, the Regional Commission's Data Brief and Newsletters on Solid Waste Planning activities;
- continued our very successful cooperative purchasing program for fuels that has saved Hubbardton, Ira, Clarendon, Middletown Springs, Pawlet, Sherburne, Shrewsbury, Tinmouth, Wallingford, and "the Bus" and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- worked with 14 communities to help them devise strategies for dealing with their solid waste including siting of a construction and demolition landfill;
- expanded our information resources and computer assistance to give you the data needed to make informed decisions on local planning and management issues;
- dramatically expanded our geographic information system; prepared maps identifying issues to be considered in growth management for West Haven, Brandon, Poultney, and Wallingford.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

**CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.**  
**CLARENDON, VERMONT 05759**

The Association would like to thank the Women's Auxiliary and the Townspeople for supporting us again in 1992.

This year, the Department responded to a total of 71 calls. We were asked to assist in 6 Mutual Aid calls for a total of 756-1/2 man hours. We currently have 26 paid members.

The Department is now responding to car accidents in place of the Rutland City Fire Department who has reduced their response area, unless specifically called for, which has placed an additional burden on the Association to train and be prepared for these additional calls.

The Department participated in the 1992 Vermont State Fire Fighters Convention held in Rutland and for the 3rd consecutive year, took 1st Place as well as receiving the coveted Koltonski Trophy for most points.

In October of 1992, I stepped down as the Fire Chief after serving in that capacity for two years. The current Chief who was my assistant, John Hale, was elected for a one year term and I know he will do an outstanding job as your Chief.

In closing, I would like to take this opportunity to let the Townspeople know how fortunate we all are to have the men and women who give up of their nights, weekends and any spare time to train and raise funds in order to better serve the community in which they live.

If you will pay close attention to the surrounding communities, you will note that these communities fire assessments all exceed the Clarendon Fire Association. Most recent reports in the Rutland Herald show Castleton with approximately \$75,000; Rutland Town with approximately \$100,000; Shrewsbury, Wallingford, Brandon and Mt. Holly exceeding \$60,000. The Clarendon Fire Association strives to control its budget, by earning a large portion through fund-raisers.

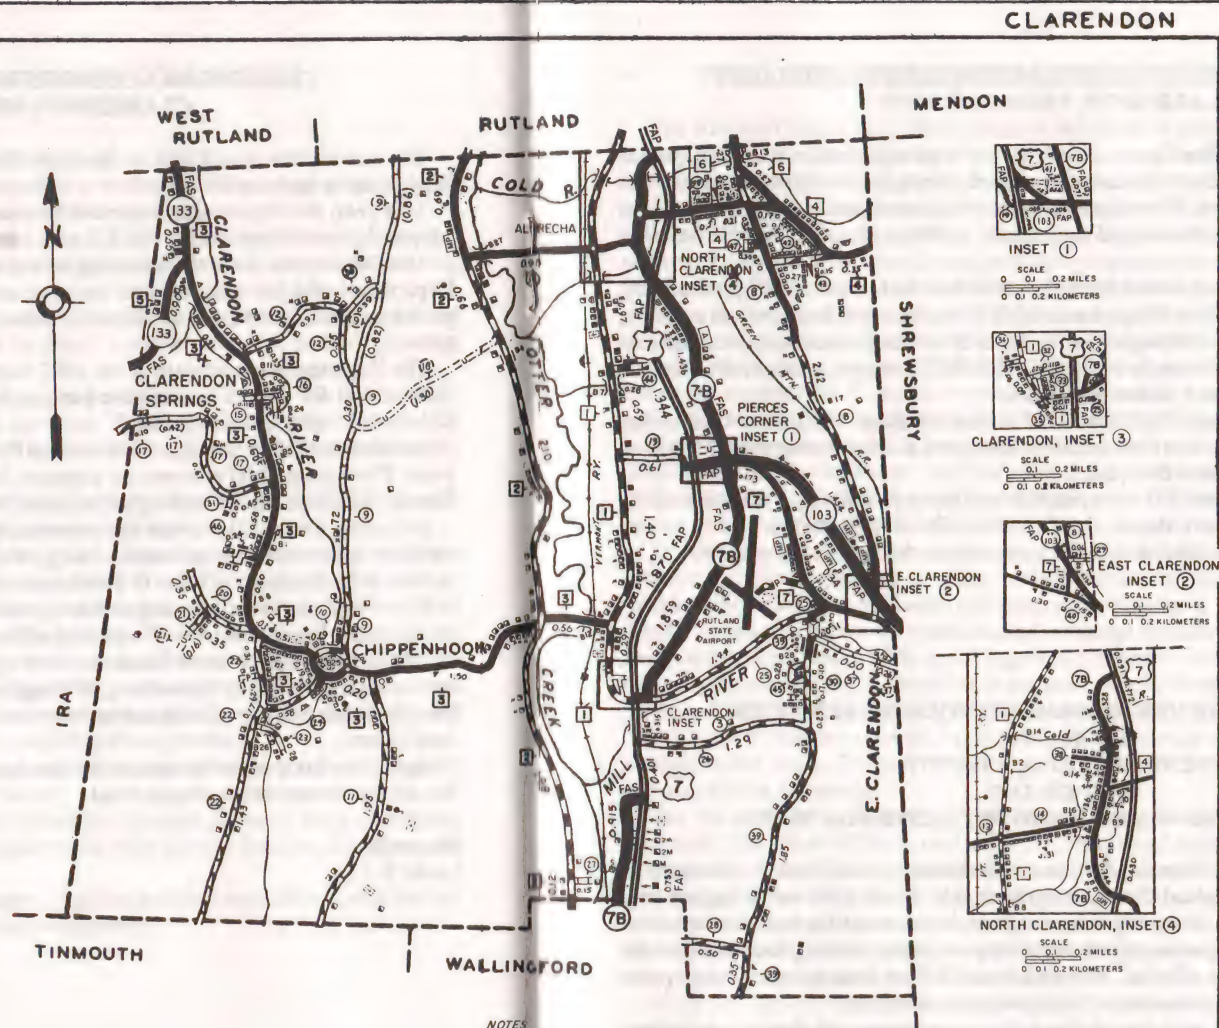

Again, my hat is off to the men of the Fire Association and to the women of the Auxiliary. We all owe them a hearty Thank You!

Sincerely,  
Leslie E. Cyr

**CLARENDON VOLUNTEER FIRE ASSOCIATION AUXILIARY  
CLARENDON, VERMONT 05759**

The Clarendon Volunteer Fire Department Auxiliary is an organization whose purpose is to support and assist the Fire Department in their efforts. Most, but not all of our twenty-one members are spouses of firemen. We welcome anyone who is interested to attend our meetings which are held on the second Monday of each month at 7:30 p.m. at the North Clarendon Station.

We have several fund raising events throughout the year with much of our profits being turned over to the Fire Association. We give assistance to the firemen in their projects and they, in turn, assist us. Some of the 1992 projects were: Truck Show food concession, refreshments and 50/50 raffle tickets at the Firemen's weekly BINGO, RCCH supper, auction refreshments, Booster Club, turkey raffle and a Halloween Dance.

We participated in the Loyalty Day Parade and the Annual State Firefighters Convention held in Rutland this year. Several of our members competed in the sporting events and took three trophies, two of which were first place.

Officers elected for the year 1993 were: President—Joyce A. Pedone, Vice President—Tammy Parker, Secretary—Beth Sheehe and Treasurer—Beverly D. Brown.

We would like to thank the townspeople for their support throughout the year.

Respectfully submitted,  
Joyce A. Pedone, President

**RUTLAND WEST NEIGHBORHOOD HOUSING SERVICES  
PO BOX 541  
WEST RUTLAND, VT. 05777  
(802) 438-2303**

**Town of Clarendon—Annual Report July 1, 1991–June 30, 1992**

Rutland West Neighborhood Housing Services is a community-based, non-profit organization, working to revitalize Rutland County neighborhoods. Since 1985 we've helped over 1,200 families with low interest home improvement loans, homeownership loans and technical assistance. We are a volunteer partnership of community residents, working hand in hand with local business and government officials. Although Rutland West is an independent corporation, we enjoy membership in the national NeighborWorks network.

In 1992 Clarendon joined with the Rutland West consortium of five municipalities including, Rutland City, West Rutland, Castleton, Fair Haven and Poultney, in applying for a grant from the Vermont Community Development Program. The consortium was awarded funds to support housing rehab and community development needs. Low and moderate income homeowners in Clarendon can qualify for a low interest loan. Priority is given to health and safety problems, structural repairs and weatherization work. Anyone residing in any of our neighborhoods is eligible for a FREE building inspection and project counseling.

In addition to rehab Rutland West provides homeownership opportunities, apartment assistance, energy efficiency evaluations and referrals. Anyone interested in learning more about Rutland West and what services we can offer is urged to contact us at our offices in the West Rutland Town Hall. 438-2303.

**RUTLAND COUNTY SOLID WASTE DISTRICT ANNUAL REPORT**

The Rutland County Solid Waste District continued to increase its operational support to member towns during 1992. The first six months were devoted to making our household hazardous waste collection program fully operational. By November of this past year, we had expanded the program to encompass two additional service areas; Addison County and non-district Rutland County communities. Similarly, 1992 was used to complete the pilot boxboard collection program. Our intent is to expand this program to the balance of the district in 1993. The Rutland City permanent curbside recycling program started in July of this year, but will continue to develop through June of 1993 before being completely operational.

During the past year, the towns of Clarendon and Pittsford voted to rejoin the district and Brandon became our newest member town. As part of our cooperative effort with member towns, we worked with Brandon to open their new transfer station last July. The membership of the district now is at its highest point with almost 50,000 people receiving services.

During the summer and fall, an extensive bid process was undertaken to assure long term landfill disposal for the district. In November, the district signed a contract for up to 10 years of lined landfill capacity at very competitive rates that for many residents of the district will be less than the unlined landfill disposal rates.

Finances were very important this year. On July 1, 1992, the district lost almost three quarters of its funding when state grant monies were discontinued. The district has historically relied on these funds for education and program development. As a result of this change, the district undertook a review of operations and surcharge collection that had the effect of making the system less expensive while providing most of the same services. Through this review, we were able to achieve a 30% reduction in expense. In spite of reduced spending, there is still a revenue shortfall and we are seeking a 9% increase in the district surcharge to offset the loss of funds. This increase amounts to 79 cents a ton surcharge increase. This will be the first increase in two years. The loss of state funding will mean research and development of new services will be hampered.

The future includes four primary objectives: First, we must continue to refine existing programs. One effort will be to remove large quantities of contaminants from our recyclables that threaten our ability to market them; second, we will be exploring new recyclable processing contracts and facilities to make our operations more comprehensive and flexible; third, we will be seeking to implement a construction and demolition waste program and expand composting; and fourth, we will be creating a collection and disposal program for hazardous wastes created by small businesses.

We would like to thank you for working with us in creating a comprehensive solid waste management system that assures environmental protection, is one that we can afford and one which we can all take pride in.

**REGIONAL AMBULANCE SERVICE, INC.**  
**ANNUAL REPORT**  
**(Fiscal Year Ending June 30, 1992)**

To the Honorable Citizens of the Town of Clarendon, VT:

We are pleased to present our annual report to the Citizens of the Town of Clarendon. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service since 1983. During our ninth year, ending June 30, 1992, the service responded to a total of 4,321 ambulance calls and an additional 1660 paramedic intercept calls in our 12 communities. Regional Ambulance Service, Inc. is the largest ambulance service in the state of Vermont.

With the continued support of the citizens, our employees and community governing bodies, we were again able to provide our eighth consecutive year of service using the same assessment rate without change. We extend our appreciation to everyone for their support.

Pride, Proficiency, and Professionalism are standards our staff has continuously demonstrated. The Paramedic program has grown and developed into a very stable and reliable program. We now have 6 full time and 7 part time Paramedics on staff. The ongoing advanced life support training keeps our staff updated on current emergency pre-hospital treatment. Our professional staff is extremely capable and dedicated and we commend them for living up to and exceeding the required standards.

Our Building is staffed 24 hours a day to allow for immediate response. In addition to medical duties and training the staff maintains our building, grounds and equipment for a considerable savings.

During the year an older ambulance box was remounted on a new chassis, pictured above, and a new Live Pak 10 Defibrillator purchased.

The public is encouraged to visit and talk to the employees and administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative, Mary Keirstead, if you have any question concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc., will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Amelia Taylor, President  
Board of Directors

Doris Weeks  
R.A.S. Representative

**RUTLAND AREA VISITING NURSE ASSOCIATION, INC.**  
**ANNUAL REPORT**  
**1991-1992**

To: Citizens of Clarendon

On behalf of the Board of Directors and staff of the Rutland Area Visiting Nurse Association, I am pleased to present our annual report to the citizens of Clarendon.

The Rutland Area Visiting Nurse Association is committed to offering needed home care services regardless of individual ability to pay. RAVNA could not provide services to all people in need without your continued support.

The following services were provided to your town during:

1991 - 1992

**UNDULICATED PATIENTS - 41**

Skilled Nursing Care - 564 visits  
Home Health Aide - 1054 visits  
Medical Social Worker - 7 visits  
Physical Therapy - 81 visits  
Occupational Therapy - 0 visits  
Speech Therapy - 0 visits  
Homemaker - 164 visits  
Clinic Service - 0 visits  
Prenatal Couples Served - 8  
Nutritionist - 2 visits

Our Agency is continuing to explore new initiatives and opportunities which will enhance the services we offer to the area's elderly and young alike. The issues of long term care are becoming increasingly critical. Our challenge has been, and will continue to be, that of meeting people's needs with consistent high quality programs that are both comprehensive and cost-effective.

Finally, it was with heart felt gratitude and respect that we said goodbye to our retiring Director, Evelyn Doyle. Evelyn will be missed by all who had the pleasure of working with her.

If you or your family would like more information on RAVNA Home Care services call 775-0568 or 800-244-0568. Thank you again for your continued support.

Ronald J. Cioffi  
Executive Director

**SOUTHWESTERN VERMONT COUNCIL ON AGING**  
**Report to Residents of Clarendon**

In fiscal year 1992, the Southwestern Vermont Council on Aging served 70 residents of Clarendon with our meals program, senior advocate and other services. There were 2032 Meals on Wheels delivered to 17 homebound persons in Clarendon. Meals on Wheels are vital to many persons and help them to remain in their own homes. At our mealsite in the Grange Hall, 666 meals were served to seniors; 41 residents participated in this program. Senior advocates assisted 25 residents with a variety of services including applications and problem resolution in benefit programs such as Medicaid, Foodstamps and SSI. They also helped them with questions or problems related to health care payments, insurance claims, Vermont tax rebate claims and energy assistance.

This agency projects it will spend \$25,816 to assist seniors in your community during the fiscal year ending September 30, 1993. We are thankful for your help. State and federal funds, as well as participant donations made up the balance.

Services of our agency are available to anyone aged 60 or older. For further information about the services we provide, information about other services available to elders in our region or to make an appointment with a senior advocate, please call 775-0486. For meal reservations call Shirley St. John at 492-3525.

Respectfully submitted,  
Deborah Gates  
Nutrition Program Director

**RETIRED SENIOR VOLUNTEER PROGRAM**  
**71B Williams Street, Rutland, Vermont 05701**  
**(802) 775-8220**

Dear Residents of the Town of No. Clarendon:

The Retired Senior Volunteer Program is a nationwide program for people 60 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations.

RSVP is especially proud that in 1993 we will mark our 20th year of providing services to residents of Rutland County through these organizations.

Last year, 410 RSVP volunteers throughout Rutland County contributed over 61,037 hours of service to more than 85 not for profit organizations.

Currently there are 13 active RSVP volunteers from Rutland who donate their time to the following organizations: Arts in Process, Eden Park Nursing Home, McKerley Health Center, National Council Senior Citizens, Pleasant Manor Nursing Home, RSVP, Rutland County Court Diversion Program, Rutland Regional Medical Center, Rutland So. Supervisory Union EEE Program, Rutland Senior Chorus, SW VT Council on Aging, Vermont Department of Health. Their combined hours of service totaled 1327 in 1991.

We thank the voters of the Town of No. Clarendon for the support that has been shown RSVP over the years and we pledge our continued efforts to be of service to you. If you are a senior citizen with some time to give, please call RSVP and let us show you how you can make a valuable contribution to your town. Call 775-8220 for more information. Thank you.

Sincerely,

Anne P. Rowe, Director  
November 9, 1992

**RUTLAND MENTAL HEALTH SERVICES, INC.**  
**78 S. MAIN STREET, P.O. BOX 222**  
**RUTLAND, VT 05702**  
**(802) 775-2381**  
**FAX (802) 775-3307**

To the Residents of Clarendon:

Again, Rutland Mental Health Services is being presented with a dramatic increase in serious mental health problems. Of particular note are children who are at risk within their families and persons in need of treatment for substance abuse.

Because funding has not increased with demand, we are prioritizing persons that appear to be most at risk. Thus, your support becomes even more important and Rutland Mental Health Services stretches its resources to meet the priorities and increasing demands by a higher risk group of Rutland County citizens.

The fees we collect for these services generate only a portion of the actual cost. The remainder must come from State, Federal, and local funds, such as United Way and Town Giving. Your support in the past has been greatly appreciated. We are asking for level funding.

Rutland Mental Health Services offers various support groups and educational programs for individuals and health providers in Rutland County; plus psycho-educational assessments and family interviews in order to help develop the most appropriate educational plan for students with learning/behavioral difficulties, who are referred by your school.

*The Evergreen Center for Alcohol and Other Drug Services*, our substance abuse program, continues to expand to better address the growing need for drug and alcohol treatment.

*The Associates in Child and Family Services*, our affiliate, 65 Grove Street in Rutland, has provided services to children, adolescents, parents, couples and individual counseling.

The following reflects specifics as to services to your community:

Service	Number of Visits/Units
Crisis Intervention	52
Adult Brief Therapy	94
Substance Abuse Treatment	175
In-Patient Psychiatric Care	0
Pre-Care/After-Care Clinic	147
Mental Retardation Case Management	107
Child and Family Treatment	395
Total number of residents served (67)	Total 970

We invite you to contact our main office (775-2381) with any questions you may have.

Sincerely:

Gilbert D. Aliber  
Chief Executive Officer

Thomas Huebner, President  
Board of Directors

## RUTLAND INDUSTRIAL DEVELOPMENT CORPORATION

To the Citizens of the Town of Clarendon:

In rural states like Vermont, economic development begins with regional development, with the recognition that a layoff in Rutland is felt at the gas station in Brandon, the corner store in Danby, by the landlord or banker in Fair Haven. Likewise, the buying and spending power of jobs at Dowty, Killington, GE, or Skyline is felt in communities throughout Rutland County. These regional connections are real, and significant, and acknowledging them is the first, most important step in the economic development of each of the communities in the region.

RIDC's role in regional economic development includes working with existing businesses, primarily manufacturers, to identify their concerns and assist with their operation and expansion. We also assist new companies interested in starting up in Rutland County with business development, financing and permit assistance. We keep a list of sites and buildings throughout the county that are available for sale or lease to businesses interested in locating here.

Within the past year, RIDC installed a fire protection system at the Airport Industrial Park in North Clarendon, and we are working with the Clarendon fire chief to insure that the system serves the needs of the volunteer fire fighters. In April of 1993, the Vermont Country Store will begin operating its mail-order distribution from the new, 70,000 s.f. warehouse facility in North Clarendon. We are anxious to continue to provide economic development assistance to the town residents as well as to all Rutland County residents.

RIDC is a private, non-profit economic development organization that is staffed by one full time executive director and two part-time assistants. The work of the organization is done by our staff and over 100 volunteer members. We recently relocated to 256 North Main Street in Rutland to enable us to share office space with the Small Business Development Center.

We rely upon the financial support of the municipalities in Rutland County to allow us to continue to offer our support, in turn, to the many businesses that provide jobs for our residents and contribute taxes to state and local governments. It has been a pleasure to work with your town over the past year. We thank you for your past support and hope we can count on you in the future.

Sincerely,

Kristin Martinez  
Executive Director

## VERMONT LEAGUE OF CITIES AND TOWNS

The Vermont League of Cities and Towns (VLCT) is the standard-bearer of cities and towns in Vermont. The organization was founded in 1967 as a non-profit, non-partisan organization to serve the best interests and needs of Vermont cities and towns. VLCT is supported entirely by revenues from local governments voted by the voters at Town Meeting and 242 of 246 cities and towns in Vermont are members of the association.

Every year the job of being selectman, manager, water or sewer commissioner grows more complex and technical. Local officials are responsible for a vast number of laws and regulations to assure their residents' health and welfare, ranging from protection against rabies threats to keeping the roads clear, to providing for solid waste management and fire protection. The Vermont League of Cities and Towns puts considerable effort into providing education for local officials by offering workshops throughout the year to health officers, planning commissions, zoning administrators, selectmen, auditors, tax collectors and others. In addition VLCT provides manuals on specific subjects to guide local officials in the discharge of their responsibilities. VLCT staff are only a phone call away for local officials with specific questions about any local government question. Approximately 5000 questions were answered in the past year. A municipal attorney is also available to give advice and legal opinions through the VLCT Law Center. VLCT is committed to helping municipal leaders develop expertise in their city and town jobs and appropriately handle the very complex problems that face them daily.

VLCT offers insurance "trust" programs to municipalities that save taxpayers thousands of dollars every year because member municipalities pool their resources. In 1992 the VLCT Health Trust returned almost \$500,000 to its 260 member municipalities and the Property, Casualty and Insurance Fund (PACIF) returned over \$200,000 to its 120 member municipalities. Since 1983 total distributions from the Health, PACIF and Unemployment Trusts equals \$1,950,000.

The VLCT News and VLCT Weekly Legislative Report provide municipal officials with up-to-date information on legislative issues and articles of special interest or topics such as workplace safety, substitutes for salting roads, solid waste and water supply management.

VLCT represents the interests of local government in the legislature, using as a basis for positions that are taken on different subjects the VLCT Municipal Policy, a policy platform that is adopted by the membership at its annual meeting in October that covers a wide range of topics affecting local government including elections law, financial management, transportation, and solid waste.

Dues paid by member municipalities are vital to the continued existence of VLCT. Municipal officials around the state thank you for your support.

## III. SUPERINTENDENT'S REPORT

## A. Enrollment:

Student enrollment at the Clarendon Elementary School for the 1992-93 school year is 327 students. This figure is down slightly from 1991-92 and we expect another decrease next year because the number of new kindergarten students is down. At Mill River Union High School the number of Clarendon students attending has decreased slightly from 293 to 284 students. This decrease is significant because the Clarendon assessment (taxes paid to Mill River) is based upon the number of Clarendon students that attend. A decrease in Clarendon students means Clarendon pays a smaller percentage of the total costs. Please note the complete enrollment tables above.

## III. SUPERINTENDENT'S REPORT (Cont.)

## B. Personnel:

A listing of teachers and other staff members is printed on page one of the school report, along with their individual assignments. We welcome Meredith Voutas who is serving as our new principal. She is an experienced educator who comes to us from Mill River where she has been the team leader in our special education program. Robert Snarski is now serving as our assistant principal and is assisting in Chapter I and guidance as well as teaching health education. Other new staff members for the 1992-93 school year are: Jennifer Hart, part-time music; and Chris Munger, a teacher assistant for an individual student. Changes in teaching assignments include: Neva Pratico from grade 2 to grade 3; and Angela Lettiere from grade 3 to grade 4. We commend all teachers and staff members for their special efforts on behalf of our students.

## C. Curriculum:

For the 1992-93 school year there are three classes at each grade level, except grades two and six which each have two classes. Next year we anticipate that there will be two classes at grade one and grade three. The coordination of instruction and curriculum between classes and grade levels continues as our teachers become more skillful at working together in instructional teams. Curriculum improvements continue to be made and the instructional skills of our teachers are being enhanced through workshops and course offerings. Areas of concentration include language arts, mathematics, and science. In each of these areas we are encouraging teachers to provide more opportunities for students to read, write, and problem solve. Assessment of student work is being focused more on samples of student work, or portfolios. As we are beginning to learn, the most effective educational activities are those that require students to use the skills they are learning, in real life activities. Another benchmark that we use to gauge the performance of our students is the "Standardized Test." For the 1991-92 school year Clarendon students in grades 3 and 6 performed at or above the national average in reading, mathematics, language and study skills. Grade 5 students performed above the national average in reading and language arts, and slightly below in mathematics and study skills. Students in other grades are not tested except where needed to assist federal programs.

## D. Facilities:

Our school facilities continue to serve our students and staff well. We have completed the purchase of approximately nine acres of land adjacent to the school to provide space for future expansion. Regular and ongoing maintenance activities continue and this past summer included: replacement of sections of carpet in the original building; painting of walls and ceilings, including those of the multipurpose room. The parents club has put a lot of time, effort and money into refurbishing the school playground and we thank them wholeheartedly for this support.

## E. Budget and School Taxes:

The school board is proposing a budget for the new 1993-94 school year with total expenditures of \$1,704,872 for the operation of the elementary school. This represents an increase in expenditures of 4.4% over the estimate for the current year, yet less than the budget for the current year. Despite this small increase, it will be necessary to raise \$511,406 by taxes to fund this budget. The total increase in school taxes will be just under 10%. The major reason for the size of this increase is related to the fact that Clarendon has lost \$53,000 in state aid below last year. There is a real possibility that there could be another decrease this coming year.

### III. SUPERINTENDENT'S REPORT (Cont.)

#### F. Teacher Salary Schedule:

Negotiations with the Clarendon Teachers' Association over a salary schedule for the 1992-93 school year have not yet been completed as of this date. The school board has requested that teachers take a salary freeze, as was agreed to by both the Shrewsbury and Wallingford teachers. The resolution of a new contract will, hopefully, come very soon. Meanwhile teachers are being paid on the 1991-92 schedule with a base salary of \$19,580 and a high salary \$36,380. At the 1991-92 rate this is an average salary of \$28,743 for all teachers.

#### G. Special Education:

Special education programs supporting youngsters with special needs include: resource room, consulting teacher programs; speech and language; EEE (early education); consulting services; and special placements. These programs support the goal of providing full educational opportunities for all handicapped youngsters. Anyone with knowledge of youngsters in need of services (including preschool) is encouraged to contact the office of the superintendent of schools (775-3264). Special education costs are increasing because the number of students with special needs is increasing, and in some cases needs are more severe. All special education costs and state revenues are included in the financial reports. A summary of these is listed below.

	Actual 91-92	Estimate 92-93	Budget 93-94
Special Ed, Expenditures	197,787	180,644	203,066
State Revenue	147,490	138,200	138,300
Net Local Costs	50,297	47,444	64,766

#### H. Federal Programs:

Rutland South Supervisory Union receives a limited amount of federal funds which support educational programs in all of our schools. These include: Chapter I which supports remedial reading instruction; Chapter 2 which provides funds for mini grants for teachers, the purchase of instructional materials, counseling services, and curriculum development; and Title II which supports improvements in mathematics and science instruction. Parents or others wishing to have additional information or to comment on these programs are encouraged to contact the office of the superintendent of schools, telephone 775-3264.

#### I. School Board Meetings:

The Clarendon School board meets on every second and fourth Tuesday of each month at 6:30 p.m. in the library of the elementary school. Also, the Board holds special meetings to transact other business such as personnel negotiations.

#### J. Nondiscrimination Policy:

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone (802)-775-3264.

## CLARENDON TOWN SCHOOL DISTRICT

## WARNING

## ANNUAL SCHOOL DISTRICT MEETING

The legal voters of the Town School District of Clarendon, Vermont are hereby notified and warned to meet at the Clarendon Elementary School at seven-thirty (7:30) o'clock in the evening on Monday, March 1, 1993, for the annual town school district meeting. The polls will be open on Tuesday, March 2, 1993 at the Clarendon Elementary School, from ten (10) o'clock in the morning until seven (7) o'clock in the evening for the purpose of voting by Australian Ballot. The business to be transacted will include:

- ARTICLE 1** To elect a moderator for the term of one year.  
(By Australian Ballot)
- ARTICLE 2** To elect one school director for the term of three years.  
(By Australian Ballot)
- ARTICLE 3** To elect one director to the Mill River Union District 40 Board for a term of three years.  
(By Australian Ballot)
- ARTICLE 4** To elect one school director to complete the two year, unexpired term of Mary Harlow.  
(By Australian Ballot)
- ARTICLE 5** To vote to authorize the School Directors to borrow money temporarily as may be required to pay orders.  
(By Australian Ballot)
- ARTICLE 6** To vote to approve a total budget of **\$1,704,872.00** for the operation of the elementary school, with **\$511,406.00** to be raised by taxation.  
(By Australian Ballot)
- ARTICLE 7** To vote to appropriate the sum of **\$15,000.00** for the purchase of computers.  
(By Australian Ballot)
- ARTICLE 8** To transact any other business proper to be done at said meeting.

Sherry Mayo

Leland Congdon

School Directors

Dated at Clarendon, Vermont this 26th day of January 1993.

**TOWN MEETING MINUTES**  
**Monday March 2, 1992**  
**Clarendon Elementary School 7:30 P.M.**

Approximately 150 people were present.

Moderator R. Brownson Spencer led those present in the Pledge of Allegiance.

Before calling the meeting to order, our District Representatives: Alphonse Bourassa and Robert Johnston, were introduced and spoke briefly on matters at the State level and answered questions. Al Bourassa asked for a show of hands for those supporting a mandatory seat belt law. There were more in favor of such a law, than against.

Moderator Spencer called the meeting to order at 7:48 p.m. and went over the ground rules for the meeting. He dispensed with the reading of the Warning.

Article 1. Shall the Town act on all Town Officers reports?

Arthur Knox moved to accept the Town Officers Reports as presented, seconded by Al Ridlon and carried by voice vote.

Article 2. Shall the Town pay taxes to the Treasurer?

Robert Bixby so moved, seconded by Ronald Baker and carried by voice vote.

Article 3. Shall the Town authorize the Selectmen to borrow money in anticipation of taxes?

Ronald Baker motioned to let the Selectmen borrow money in anticipation of taxes, seconded by Alphonse Bourassa and carried by voice vote.
